

Elevating Work Platform – Yellow Card Trained Operator Licence (EWPA)

Course Overview

This course covers all the requirements for obtaining an EWPA Trained Operator Photo Licence. Participants may complete singular or multiple EWP classes as required.

EWP modules include: Vertical Lift (VL)

Scissor Lift (SL)

Self-propelled Boom Lift under 11metres (BL)

Trailer Mounted Boom lift under 11metres (TL)*

Truck Mounted Boom Lift under 11metres (TM)*

Successfully completing any of the selected classes of this course will allow you to operate any type of EWP in that class EWPs within Australia. This course does not cover the requirements for operating a boom-type elevated work platform with a height or reach of 11 metres or more. A High Risk Work licence class WP will be required to operate this type of EWP.

* Delivery of TL and TM modules are by prior arrangement only.
