

CPCCLDG3001A - Licence to Perform Dogging

High Risk Work Licence (DG)

Course Overview

This course covers all the requirements for obtaining a national High Risk Work Licence (Class DG) for crane dogging.

Successfully completing this course will allow you to direct the load movements for cranes, selecting and inspecting lifting equipment such as chains, synthetic slings, shackles and lifting beams within Australia. This course does not cover the requirements for conducting rigging tasks. A High Risk Work Licence (Class RB, RI or RA) is required for this type of work.

Prerequisites

There are no prerequisites for this course.

SafeWork NSW (previously WorkCover NSW) conditions for assessment:

- Applicants to be at least 18 years of age
- Speak and understand English at a level to be able to participate in the training and assessment.
Note: Oral assessments can be arranged for applicants with writing and reading difficulties. (an extra charge applies)
- Able to produce 100 points or more of identification as per the SafeWork NSW identification checklist.

Learning outcome

On completion of the course, participants will have gained the following skills and knowledge to:

- Plan Operations: Hazard management and consultation
- Equipment: Selecting and inspection of appropriate lifting equipment for operations
- Prepare: Site and lifting equipment for operations
- Transfer Loads: Rigging loads and directing crane movements
- Conclude Operations: Shut down and pack up equipment following site specific procedures

Duration

Total duration is 5 days. Training is over four full days and SafeWork NSW assessment is conducted on the fifth day.
