

High Risk Work Licence (LF)

TLILIC2001 - Licence to Operate a Forklift Truck

Course Overview

This course covers all the requirements for obtaining a national High Risk Work Licence (Class LF) for forklifts.

Successfully completing this course will allow you to operate any forklift, including counterbalance, reach trucks and high reach forklifts within Australia. This course does not cover the requirements for an order picking forklift. A High Risk Work Licence (Class LO) is required for this type of forklift.

Outcome

Upon successful completion of the SafeWork NSW assessment, a nationally recognised Statement of Attainment is issued (TLILIC2001 - Licence to Operate a Forklift Truck) and a High Risk Work Licence (class LF) will be issued by SafeWork NSW once the application is submitted to Australia Post*.

Learning outcome

On completion of the course, participants will have gained the following skills and knowledge to:

- Plan Operations: Hazard management and consultation
- Pre-operational Inspections: forklift and associated equipment
- Shift Loads: Lifting at varying heights and travelling through obstacles
- Conclude Operations: Parking, securing the equipment and following site specific procedures

Duration

Total duration is 3 days.

Course Outline

Day 1 – Presentation, discussion and forklift operational activities

Day 2 – Practical training, theory review, and unit of competence assessment

Day 3 – SafeWork NSW assessment
