

High Risk Work Licence C2

TLILIC0010 - Licence to Operate a Slewing Mobile Crane up to 20 tonnes

Course Overview

This course covers all the requirements for obtaining a national High Risk Work Licence Class C2 for slewing mobile cranes with a lifting capacity of up to 20 tonnes.

Successfully completing this course will allow you to operate any mobile cranes up to 20t, any non-slewing crane (such as telehandlers or Franna cranes) and vehicle loading cranes (such as Hiab's and Palfinger's) within Australia. This course does not cover the requirements for slewing mobile cranes over 20t. A High Risk Work Licence (Class C6, C1 or CO) is required for this type of slewing mobile crane.

Outcome

Upon successful completion of the SafeWork NSW assessment, a nationally recognised Statement of Attainment is issued (TLILIC0010 - Licence to Operate a slewing mobile crane up to 20t) and a High Risk Work Licence (class C2) will be issued by SafeWork NSW once the application is submitted to Australia Post*

Learning outcome

On completion of the course, participants will have gained the following skills and knowledge to:

- Plan Operations: Hazard management and consultation
- Pre-operational Inspections: Crane and associated equipment
- Set up: Outriggers, crane boom and lifting equipment
- Transfer Loads: Shift loads with slings and mobile loads
- Conclude Operations: Shut down and pack up crane and equipment following site specific procedures

Duration

Total duration is 5 days.

Course Outline

Day 1 – Presentation, discussion and crane operational activities

Day 2 – Presentation, discussion and crane operational activities

Day 3 – Practical training and theory review

Day 4 – Practical training, theory review and unit of competence assessment

Day 5 – SafeWork NSW assessment

Location

Training can be conducted at Workplace Training Centre's facility in Arndell Park NSW or can be conducted on your site providing the following requirements are met:

- Training room with tables, chairs and screen (or blank wall for a projector)
- Suitable clear operating area
- Slewing mobile crane with a lifting capacity of 20t or less (with current service history, free from faults and operator manual present)
- Suitable load approximately 50% of the cranes lifting capacity at 40% reach

Course Sizes

Maximum 6 participants

Fees and Charges

Price per person \$1297.00 (GST exempt) Including assessment and all course materials.

Please contact us for group training and onsite training rates

An additional fee will be charged when any extra assessments are required.

***Licence Fee**

A SafeWork NSW Licence Application Fee of \$75.00 applies when the successful applicant lodges the paperwork at a SafeWork NSW authorised Post Office. You will also be required to supply a passport sized photo for your licence. Most Post Offices can take these passport photos (approx. \$16.95 for 4 photos).

Prerequisites

There are no prerequisites for this course.

SafeWork NSW conditions for assessment:

- Applicants to be at least 18 years of age
- Speak and understand English at a level to be able to participate in the training and assessment.
Note: Oral assessments can be arranged for applicants with writing and reading difficulties (extra charge may apply)
- Able to produce 100 points or more of identification as per the SafeWork NSW identification checklist.

Cancellations

Where Workplace Training Centre receives sufficient notice of cancellation (at least 48 hours), a refund of fees may be available. Cancellations within 48 hours may incur a 20% cancellation fee. No refund is given for non-attendance or cancellation on day of training. More information can be found on our website or obtained from the office.

Other information

A re-issue of Statement of Attainment certificates will incur a fee of \$30.

Replacement High Risk Work Licences are completed directly through SafeWork NSW.

The student information pack can be found on our website or by calling the office and will provide additional information about the course.
