

## High Risk Work Licence (CV)

### **TLILIC0002 – Licence to operate a Vehicle Loading Crane (Capacity 10 metre tonnes or above)**

#### **Course Overview**

This course covers the requirements for operating a crane mounted to a vehicle. Successfully completing this course will allow you to operate any vehicle loading crane (such as Hiab's and Palfinger's) which have a lifting capacity of 10 metre tonnes or more.

*To calculate: Max Capacity (in tonnes) x Boom Reach (in metres) = Metre tonnes  
ie 6.25t x 2.0m = 12.5 metre tonnes*

#### **Learning outcome**

On completion of the course, participants will have gained the following skills and knowledge to:

- Plan Operations: Hazard management and consultation
- Pre-operational Inspections: Crane and associated equipment
- Set up: Outriggers, Crane and lifting equipment
- Transfer Loads: Shift loads with slings or lifting devices
- Conclude Operations: Shut down and park crane following site specific procedures

#### **Outcome**

Upon successful completion of the SafeWork NSW assessment, a nationally recognised Statement of Attainment is issued (TLILIC0002 - Licence to Operate a vehicle loading crane (10 metre tonnes and above) and a High Risk Work Licence (class CV) will be issued by SafeWork NSW once the application is submitted to Australia Post\*.

#### **Duration**

Total duration is 5 days. Training is over four full days and SafeWork NSW assessment is conducted on the fifth day.

#### **Course Outline**

- Day 1 – Presentation, discussion and crane operational activities
- Day 2 – Presentation, discussion and crane operational activities
- Day 3 – Practical training and theory review
- Day 4 – Practical training, theory review and unit of competence assessment
- Day 5 – SafeWork NSW assessment

#### **Location**

Training can be conducted at Workplace Training Centre's facilities located in Arndell Park NSW or if required, can also be conducted on your site providing the following requirements are met

- Training room with tables, chairs and screen (or blank wall for a projector)
- Suitable clear operating area
- Vehicle Loading Crane >10m.t (with current service history, free from faults and operator manual present)

#### **Course Sizes**

Maximum 6 participants

#### **Fees and Charges**

Price per person \$1297.00 (GST exempt) Including assessment and all course materials.

Please contact us for group training and onsite training rates

An additional fee will be charged when any extra assessments are required.

### **\*Licence Fee**

A SafeWork NSW Licence Application Fee of \$75.00 applies when the successful applicant lodges the paperwork at a SafeWork NSW authorised Post Office. You will also be required to supply a passport sized photo for your licence. Most Post Offices can take these passport photos (approx. \$16.95 for 4 photos).

### **Prerequisites**

There are no prerequisites for this course.

### **SafeWork NSW conditions for assessment:**

- Applicants to be at least 18 years of age
- Speak and understand English at a level to be able to participate in the training and assessment.  
Note: Oral assessments can be arranged for applicants with writing and reading difficulties (extra charge may apply)
- Able to produce 100 points or more of identification as per the SafeWork NSW identification checklist.

### **Cancellations**

Where Workplace Training Centre receives sufficient notice of cancellation (at least 48 hours), a refund of fees may be available. Cancellations within 48 hours may incur a 20% cancellation fee. No refund is given for non-attendance or cancellation on day of training. More information can be found on our website or obtained from the office.

### **Other information**

A re-issue of Statement of Attainment certificates will incur a fee of \$30.

Replacement High Risk Work Licences are completed directly through SafeWork NSW.

The student information pack can be found on our website or by calling the office and will provide additional information about the course.
