

## High Risk Work Licence (WP)

### **TLILIC0005 - Licence to Operate a Boom-Type Elevating Work Platform (Boom length 11 metres or more)**

#### **Course Overview**

This course covers all the requirements for obtaining a national High Risk Work Licence (Class WP) for boom-type elevating work platforms.

Successfully completing this course will allow you to operate any boom-type elevating work platform, including self-propelled, trailer mounted and truck mounted boom lifts with a height or reach of 11m or more within Australia. This course does not cover the requirements for operating vertical lift types or scissor lift type EWPs. A Yellow Card Trained Operator Licence will be required for these types of EWP.

#### **Outcome**

Upon successful completion of the SafeWork NSW assessment, a nationally recognised Statement of Attainment is issued (TLILIC0005 - Licence to Operate a Boom-Type Elevating Work Platform (boom length 11 metres or more)) and a High Risk Work Licence (class WP) will be issued by SafeWork NSW once the application is submitted to Australia Post\*.

#### **Learning outcome**

On completion of the course, participants will have gained the following skills and knowledge to:

- Plan Operations: Hazard management and consultation
- Pre-operational Inspections: forklift and associated equipment
- Shift Loads: Lifting at varying heights and travelling through obstacles
- Conclude Operations: Parking, securing the equipment and following site specific procedures

#### **Duration**

Total duration is 2.5 days. Training is over two full days and SafeWork NSW assessment is conducted on the third day.

#### **Course Outline**

Day 1 – Presentation, discussion and EWP operational activities

Day 2 – Practical training, theory review, and unit of competence assessment.

Day 3 – SafeWork NSW assessment.

#### **Location**

Training can be conducted at Workplace Training Centre's facilities located in Arndell Park NSW or if required, can also be conducted on your site providing the following requirements are met:

- Training room with tables, chairs and screen (or blank wall for a projector)
- Suitable clear operating area
- Boom-type EWP (in serviceable condition with no faults and operator manual present)
- Fall Arrest harness with current inspection

#### **Course Sizes**

Maximum 8 participants

#### **Fees and Charges**

Price per person \$697.00 (GST exempt) Including assessment and all course materials.

Please contact us for group training and onsite training rates. An additional fee will be charged when any extra assessments are required.
